ROOTED IN HISTORY. GROWING THE FUTURE.

Dear Scouts and Scouters,

As we begin a new year, we're looking ahead to our 60th Anniversary and celebrating the largest financial investment in CCLT in more than 50 years. It's an exciting moment for the Anthony Wayne Scout Reservation and a powerful reminder of how far we've come—and where we're headed next.

We are gearing up for the 2026 summer camp season! A chance to reconnect, learn, and explore together. The Council Outdoor Camping & Program Committee has crafted a program designed to inspire curiosity, build skills, and create meaningful memories.

We encourage everyone to come with an open mind and a spirit of adventure. Let's make this year's camp a strong kickoff to a milestone year at CCLT, honoring our roots while embracing the future.

We can't wait to see you there, ready for an unforgettable season of growth and fun!

Yours in Scouting,
Camping Committee

STAFF KUDOS

Our staff LOVES hearing from you! If you see any of them going above and beyond, please let us know! At the end of every week, we celebrate all of our kudos together. Email compliments to ccltkudos@gmail.com or use the QR code found in many areas around camp.

Camp Programs

Trail Awards - The Pokagon-Kekionga Trails Association maintains six marked trails that cover over 35 miles throughout the wilderness at the Anthony Wayne Scout Reservation. All trails begin at the CCLT Parking Lot and are well marked. Trail maps and guides are available through the camp office or the council website. Trail patches and medals are available for purchase through the Trading Post. For more Information go to <https://www.ccltbsa.org/pokagon-kekionga-trails>

Program Philosophy: The Anthony Wayne Scout Reservation provides a 1200 acre playground of fun and adventure for all scouts. Scouts have the opportunity to do things they may not have the opportunity to do elsewhere, which is why our program does not just focus on advancement, but fun with a purpose in the out-of-doors! Each year, the Camping Committee works with the Camp Leadership Team to develop a well-rounded experience that includes theme related, age-appropriate activities, Range and Target Activities (RATA), aquatics, nature, and games. Although not a priority when planning program, scouts will also have an opportunity to earn some advancements. All units will receive a report at the end of the session that details any requirements that may have been completed during their stay.

Program Centers

Wolves - Finding Your Way

Bear - Roaring Laughter

Webelos - Art Explosion and Chef's Knife

AOs - Knife Safety

FLEX: This is an unscheduled time for your den or pack to design your own program. There are plenty of program opportunities that will be available for you to choose from, including fishing, disc golf, volleyball, hiking, or just relaxing in your campsite! A list of suggested activities will be made available upon your arrival. Achievement Bags are available to be checked out from the Admin Building.

OPEN PROGRAM: Program areas will be open for your den or pack to choose from. Programs include (but are not limited to) BB guns, archery, swimming, boating, fishing, branding, field games, and more! Open programming is available on the second evening from 7:15 - 9pm. Units are also encouraged to conduct their own evening campfire program to promote unit camaraderie.

PACK COMPETITION - Since the passing of King Jack the land of turtles had been in jeopardy. The kingdom is seeking the help of brave and loyal knights. We are calling for the strong to test their skill to become a knight to defend and rebuild the Turtle Kingdom. All Packs are encouraged to create a Pack Shield with a Pack Crest to show pack colors as you protect the Turtle Kingdom. Awards will be presented for Best Shield.

What's the Difference?

Cub Camp is AWESOME, isn't it?! We agree! We don't want the fun to end just because a scout has aged out of the program. Once a scout is a member of a ScoutsBSA unit, he or she can attend resident camp with their troop/crew, and spend six days and six nights immersed in the fun here at Camp Chief Little Turtle! That's DOUBLE the amount of time spent at camp, with friends, in the outdoors, away from electronics and screens! The adventures get bigger and better, too! We even have a First Year Camper Program designed just for scouts attending camp for the first time with a ScoutsBSA unit, where they will be split into patrols and learn many of the basics of the program such as basic first aid, fire building, reading a map and compass and more! And since our First Year Camper Program only lasts two days, they will be able to rest, enjoy camp, and even maybe sign up for a couple of merit badges all in their first week of camp! That's what we like to call an adventure!

Lost and Found: Most Lost and Found items will be kept in the large green wooden box outside of the Trading Post, while valuable items will be kept at the camp office. AWAC is not responsible for any unit or personal items that may be lost, stolen, or damaged. Items are disposed of one week after each camp session.

Visitor Policy: We encourage families to visit their campers at camp and explore our facility! All visitors must sign in and receive a visitor tag/bracelet at the camp office. If you need meals during your visit, you can purchase those for \$10/meal ahead of time through your camp coordinator/scoutmaster/adult leader. Visitor meals MUST be purchased in advance so that our kitchen has time to prepare.

Personal Bikes: Personal bikes may be used on our trails at camp. Units are responsible for transporting them to and from camp. CCLT is not responsible for personal bikes used for program. Helmets and shoes must be worn at all times.

Fireworks/Firearms: Personal firearms, fireworks, ammunition, and bow hunting equipment are strictly prohibited. Sheath knives used as camp tools may be used by adults 18 years and older, NOT by youth.

Campfire Policy:

Fire Rings: All fires must be burned in a fire ring. No materials are to be burned outside of the fire ring. Fire rings and firewood will be provided by the Anthony Wayne Scout Reservation.

Fuel: Only wood provided by the Scout Reservation (with the exception of kiln dried lumber) is to be burned at camp. Liquid fuels (white gas, lantern fuel, lighter fluid, etc.) must be stored in a ventilated, locking box a minimum of 20 feet from all buildings, tents, and open flames.

Area and Safety Considerations: Units must complete and follow the Fireguard Plan. Plan will be provided upon arrival. It is recommended that an area of 10 feet around the fire ring area be checked for and cleared of flammable debris.

Personal Gear: A suggested list of personal gear can be found on page 24. Everything you need can easily be packed in a backpack or duffel bag. The less you bring, the easier it is to transport to your campsite. Scouts should bring at least two pairs of shoes, including one pair of hiking boots/shoes. All personal gear should be marked with the Scout's name and unit number.

Camp Housing: CCLT provides non-tented sites and tented sites by request. Tented sites have Scout wall tents, designed for two scouts or adults. Tents stand on a wood platform and include cots, mattresses, and mosquito netting. Each site has latrine facilities, a wash stand, and a flagpole. Camp management reserves the right to re-assign campsites and units. All units should plan on sharing the site with other units as there are multiple unit sites in each campsite.

Camp Showers: Located near Shawnee campsite. Units MUST have an adult present when their scouts are using the facility. Adults and scouts are responsible for keeping the shower house and restrooms in good order. One key per unit will be issued to an adult leader. If more keys are needed, please see the camp office.

Cell Phone Policy: Cell phone usage is at the discretion of the leaders.

Scouting America Rules and Policies: CCLT complies with and enforces all Scouting America rules, policies, and procedures. A complete list of national policies can be found in the Guide to Safe Scouting, or at www.scouting.org.

Reference Guide

CampSecurity: ALL campers, leaders, and visitors must check-in AND out of camp at the Administration Building. It is strongly recommended that scouts do not leave camp. All authorized participants are identifiable by a provided wristband. Visitors will be identified with a "visitor tag", and staff will wear appropriate identifying markings. Unauthorized persons are to be reported to the camp office immediately.

Early Release Policy: Any person needing to leave camp outside of the regular check-in/out time, must do so at the camp office. Any person under the age of 18 must have written consent from their parent/legal guardian on file in the camp office if they need to leave with another adult. This form is available in Part A of page 1 of the annual health form.

Medical Form: The Annual Health Form (Form #680-001, 2019 printing) requires an annual physical by youth and adults regardless of age, and signature of a licensed healthcare practitioner. These forms need to be turned in at the two-week prior meeting for every person attending camp. Please keep a copy for your files. Everyone attending CCLT overnight (scouts and adults) must turn in a health history before participating in any camp activities. The Annual Health and Medical Record is valid for 12 months, and Parts A, B, and C must be completed for all persons attending camp for a length of 72 consecutive hours or longer. Parts A and B must be completed for all persons staying overnight at camp for less than 72 consecutive hours. **UNDER NO CIRCUMSTANCE WILL A MEDICAL FORM BE ACCEPTED BY THE CAMP PERSONNEL WITHOUT THE SIGNATURE OF A LICENSED PRACTITIONER (MD, DO, Nurse Practitioner, or Physicians Assistant) for persons staying at camp for more than 72 consecutive hours.**

MEDICAL EXAMS WILL NOT BE PROVIDED AT CAMP.

First Aid: The camp provides a Health Officer on-call 24 hours a day. All injuries requiring additional treatment will be sent to Cameron Memorial Hospital. According to BSA policy, the camp must insure that injuries receive full medical attention in a timely manner. The camp will notify parents if additional treatment is required. ALL injuries (no matter how small) must be reported to the camp Health Officer.

Illness: When a scout or scouter's health is in question prior to their arrival at camp, it is better for them to delay their trip to camp. If any camper becomes ill during camp, it must be reported to the Health Officer. If a scout becomes too ill to participate in the program, or is potentially contagious, their parents will be contacted regarding transportation home. The Camp Health Officer and Camp Director may ask ill scouts and scouters to leave camp in order to prevent the spread of illness.

Incident Reports and Medical Bills

The Scouting America medical insurance does not automatically cover medical bills.

1. The Unit Leader must complete an Incident Report Form with the camp medical staff.
2. All medical bills must be submitted to the person's family insurance.
3. Any portion not covered by the family insurance may be submitted to the Scouting America insurance by providing all medical bills and insurance statements to the Anthony Wayne Area Council. The Scouting America medical insurance is a secondary insurance coverage. It is primary coverage for those members without medical insurance.

Camp Fee Schedule: The following payment schedule will be used for Scout Resident Summer Camp. Scouts and adults must register and make payments through their unit Summer Camp Coordinator. Units are responsible for making all payments to the council.

Scout Camper \$205 if paid by June 1st.. \$225 if paid after June 1st. Adult \$125. Den Chief \$125

Patrol Sites \$25/non-tented site, \$30/tented site fee per unit (due with reservation). Each tented site must be requested and includes 5 wall tents on a wood platform with two cots and mattresses.

Early Bird deposits of \$50/scout due by April 10, 2025, AND remaining fee of \$155/scout paid by June 1, 2026. Include names of scouts attending.

Trading Post Your scouts will want to have some extra spending money for Trading Post souvenirs.

Spirit of Adventure Scholarship: Since its founding, a primary aim of Scouting has been to teach self-reliance and promote a strong work ethic. Just as important is our goal that no youth be prevented from participating in Scouting activities due to a lack of funds. The Spirit of Adventure Scholarship program helps us achieve these objectives. **Submission Deadlines for Priority**

Consideration for Summer Camp Scholarships: Scouts BSA is April 15, 2026 and Cub Scouts is May 15, 2026. Scholarships may be awarded for up to 50% of the early bird camp fee or program fee.
